

Chairmans Report

For the year ending 30th June 2022.

Dear Members,

It is with pleasure we present the 51st Annual Report and Financial Statement of the Murwillumbah Golf Club Ltd.

It has been an honour to work with the Members and Staff of the Club and a pleasure to lead the Board of Directors throughout the year and I thank you for your dedication for the time you give to make our club a successful one.

The challenging Covid times were over, but we experienced three major flood events during the financial year leading to the course to be closed or the flood nine to be in operation. Through all this we still made a tiny profit for the financial year. A number of projects on the course and clubhouse were completed during the year with some new projects up for consideration in the near future.

End of year financial reports have been summerised in the Finance Chairmans Report and it is recommended that all members take the time to read this report and the reports of the other Committee Chairman together with reports from our Sub-Clubs that form a part of the financial package presented.

Many thanks to our dedicated staff under the guidance of Secretary Manager Gary Thatcher for your efforts throughout the year. You have created a friendly atmosphere for Members and Visitors and lots of favorable comments have been received.

Admin staff, Aileen and Debbie continue to provide services in a courteous and friendly manner. A job well done.

Brian Cox and his ground staff continue to provide us with an outstanding golf course. They had to put up with some difficult times with flooding throughout the year and their efforts are very much appreciated.

To Shane, Duncan and the Pro Shop staff who have created a great atmosphere and have the Pro Shop looking fantastic. Thank you for your efforts.

Terry Sullivan and the Bar Staff continue to provide a prompt and friendly service to all members and visitors. Natasha, our events coordinator has organized many functions and promotions this year.

Congratulations to Women's Golf Murwillumbah and Veterans Golf Club who managed this year to run their major competitions. The Board is very appreciative of the support you have provided through financial and volunteer assistance for various projects.

We thank all volunteers for your contributions. Board Members, Committee Members, Friday Night crew and those who look after the gardens, trim trees, volunteers for working bees, you are all an integral part of the success of the club. Your efforts do not go unnoticed.

As Chairman my personal thanks to all the above for your efforts to ensure our continued success and for your valuable contributions.

To the Board of Directors many thanks for your support. You have all carried out your responsibilities in a professional manner. Captain, Graham Nelson and his Match Committee ran all competitions successfully in some trying times.

Finance Director, Wayne Kendrigan has once again ensured all club finances are in a strong position.

Neil Fogo, our Greens Chairman has worked closely with Brian Cox to have the course in great condition during some hard times.

House Chairman, Ian Campbell has kept the clubhouse humming all year round.

Directors, Marilyn Parkes, Bill Quantrill, Shane Davidson and Shannon Murnane have all made valuable contributions throughout the year and your efforts are very much appreciated.

To the members we thank you for your support. The Board strives to keep all Members happy and sometimes you may not agree with decisions made. Decisions are made to ensure the continued success of our Club and that success comes down to your patronage and use of all available facilities.

Best wishes and good health to all and may you continue to gain great enjoyment out of our common interest, the game of golf.

Graham Rosenbaum

Chairman
