There will be a two-week window to play each round to be organised between the 4 players on any day of this two-week period.

To book your match in, please call the golf shop **before** the 6-day booking window once you have an agreed tee off time with your opponents. Once the match winner is determined, please notify the Golf Shop of the result and match score. If there no game played in the two weeks the person progressing to the next round will be done by the toss of the coin, the higher ranked team will get heads.

During the knockout match play stage, players will play off their daily handicaps from the tees of the day with the lowest marker in the group reduced to **0** and remaining players will be allocated shots from the **Match Play Index**. Groups can decide to play in the competition of the day but no gimmies are allowed if playing in the comp, whereas in match play gimmies are permitted.

If any weather events affect the dates the match committee can extend the match deadlines.

Winners of the event will be awarded **\$300 each** and the **runners up \$100 each** onto their member account.
