

GRAHAM ROSENBAUM

Background:

I have been a member of the Murwillumbah Golf Club for over 50 years. During this time, I have seen dramatic improvements to the golf course and clubhouse. This has come about by the foresight of many board directors and members willing to give their time to make improvements for the club.

Employment:

Retired School Teacher. I was with the NSW Department of Education for 50 years. During that time, I organised many sporting events including the running of school golfing tournaments.

Golf Experience:

Previous golf club membership at:

- Cumberland Golf Club
- Wyong Golf Club

Upon arriving in Murwillumbah, I decided I had something to offer the club so I decided to join the Board of Directors. I have been a Board member for over 20 years serving as your Chairman for the past 5 years. Other positions I have held are Treasurer (9 years), Vice-Chairman, Finance Chairman and House Chairman. I am currently on the Finance Committee.

Goals:

- To continue to see improvements to our golf course, clubhouse and the surrounds.
- To strive to increase golf club membership and try to entice more women playing members.
- To seek more social members to use our clubhouse and facilities.
- To improve and alleviate our car parking and golf buggy problems.
- To try to keep our membership fees to an acceptable level.

Loyalty to the Club:

I have shown this by being involved on the Board for over 20 years and helping out with voluntary tasks. I enjoy the golf course and clubhouse facilities and have and made many friendships throughout the years. It is a friendly and successful club and I hope it remains this way in the years to come.

Thank you for your support.
